### **WEBINAR 3 OBJECTIVES**

by

Mr Mark Fynn, Moderator, FAO-SFS

---

Introduction to the **Third Webinar** in a Series:

- This is a **Third Webinar** in a series of webinars on the joint actions to operationalize F-SAMA.
- Different pathways to **promote, access and use** of mechanization in Nigeria and Cameroon will be presented and discussed.

The main objectives of this webinar is to:

- Provide a **platform for stakeholders to discuss the** operationalization of the F-SAMA.
- **Share experience** on what stakeholders could do to speed up promote, develop and use agricultural mechanization.
- **Network and collaborate** among the mechanization stakeholders.
